

UNIVERSITY OF SEVILLE

Outline

- Where we are
- A bit of History
- Facts and Figures
- Our Campus

September 18th, 2017

Seville, a nice and 'warm' city...

Chapina Bridge, Seville, summer 2017

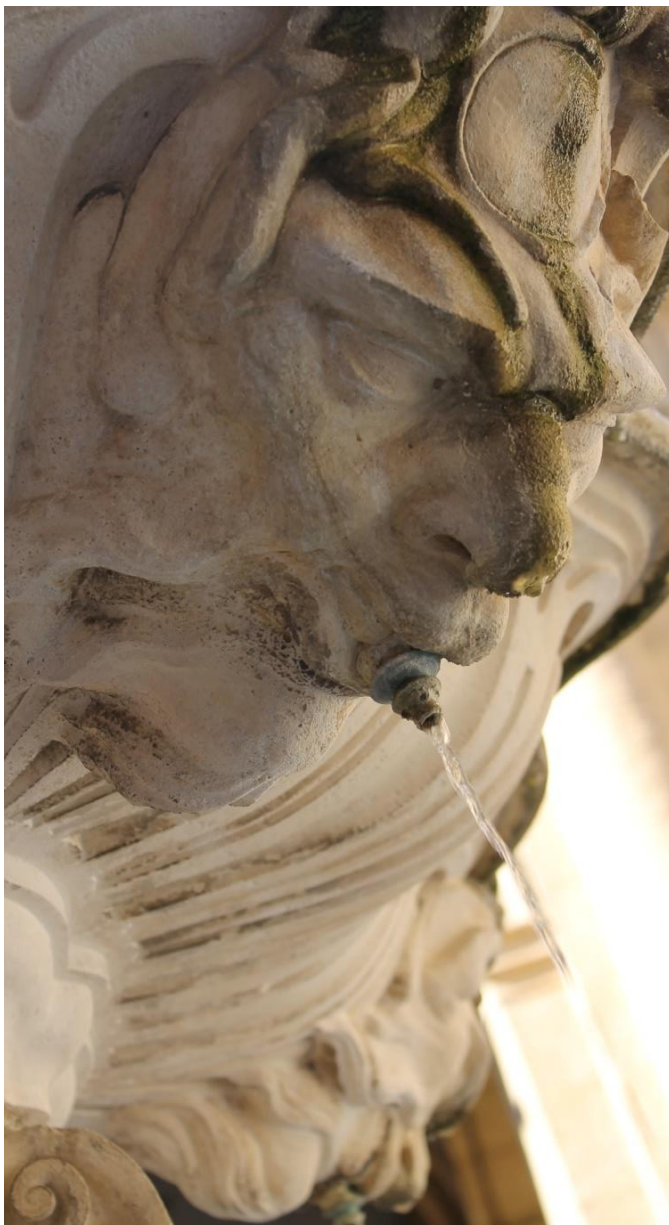

A bit of history...

- Founded in 1505 by the Archdeacon Maese Rodrigo Fernandez de Santaella under the name Colegio de Santa Maria de Jesus (School of the Blessed Mary of Jesus).
- A papal bull of Pope Julius II granted it authority to teach theology, philosophy, law, medicine and arts.
- In the middle of the XX century, the University moves to the Royal Tobacco Factory
- Expansion:
 - In the sixties: Architecture and Engineering
 - In the seventies: Economics, Pharmacy and Sciences
