Website	www.unileon.es
Short description	The Universidad de León is a young and active public HEI which has had an interest in international education since its beginnings in 1979. Its two campuses serve 13.000 students with a varied range of degrees with a strong and centralized international office since 1989. ULE is a founding member of the Santander Group and the Compostela Group of Universities. ULE entered the ECTS second extension bid and was one of the first Spanish universities able to show a consistent information package in full accordance with the EU patterns. Enrolled in international exchange programs since 1987, it sends yearly 440 students to EU destinations and 120 to non-EU academic institutions.
